

Creating AAU Generated Roster For Local Tournaments

1. Go to www.aauvolleyball.org
2. Hover your pointer over the "EVENTS" tab.
3. From the dropdown, select "Create a roster". A new page pops up.
4. Click on the big blue box that says "Build your roster". This will take you to a new site.
5. Sign in (or create an account if you haven't done this yet)
6. Click "Add new team"
7. Enter the information.
8. Fill in the required check box and click on "Save Team"
9. The page reloads and you should now see your team listed. Click on your team.
10. Select the box at the bottom for "Local Tournament Roster", enter the age & division.
11. Click "Add".
12. The page reloads and you'll see a red box labeled "Add Roster". Click on "Add Roster".
13. From the "Add Athlete" dropdown, select your athlete to add. The site will reload after each addition.
14. Repeat for each athlete until you are done.
15. Select "Add New Coach" and add them.
16. Select "Print Roster" on the right side of the screen.
17. Print the PDF and if you want save it to your computer.
18. Repeat steps 6-17 for any other teams you have.

Additional Information

1. Once your rosters are created
2. You can Add, Update or Delete a Team
3. You can manage team events
